Volleyball

When, where and how?

LVK arrange two different recreational leagues, both played in **Fälådshallen** on Thursday nights from September to May. The one played at 21:00 are for mixed teams, maximum three boys and at least two girls. The other played at 22:00 is free constellation. You can participate in both leagues, but only in one team in each league during the year.

When to start?

The season starts with 2 practice opportunities, Thursdays 29/8 and 5/9 between 21:00-23:00. After that, **new for this season**, we will have two **Start-up cups, 12/9** for the **free** constellation teams, registration no later than 9/9 and **19/9** for the **mixed** teams, with registration no later than 16/9. Both cups are played according to the same rules as the league and are free of charge for the teams already registered for the league. The league starts 26/9 with "mixed" 21:00-22:00 and "free" 22:00-23:00.

We can assist you in the beginning!

If you have any questions, about rules, technics or anything else, please don't hesitate to contact us at motionsserie@lundsvk.se. If you lack a team to play with we can support you during the practice opportunities to find a team that needs players.
